

## **Modern Slavery and Human Trafficking Statement**

### **Our Organisation**

GB Railfreight Limited was established in 1999 and became part of Hector Rail group in 2016. We are the third largest rail freight company in the UK with a turnover in excess of GBP 120m transporting goods by rail across the UK and through the Channel Tunnel for our UK and European customers in the intermodal, infrastructure, construction, biomass, coal and petrochemical markets.

### **Our Policy**

As a company we are committed to playing our part in combatting unlawful and unethical practices in relation to modern slavery and human trafficking. We will not knowingly use child labour or forced labour in any of our services or accept goods or services from suppliers that are not taking similar steps to combat such unlawful practices.

### **Our Commitment**

As part of our ongoing commitment, in the next 12 months we shall:

1. Carry out an internal risk review of our suppliers
2. Identify high risk suppliers and request statements on their compliance with the Act and provide internal training for those managing such suppliers.
3. Review our contracts and terms of business and include provisions to ensure we have the right to terminate any supplier contracts where modern slavery legislation has not been adhered to.

This statement is made pursuant to section 54(1) of the Modern Slavery Act 2015 and has been endorsed by GB Railfreight's board of directors.
