Subject to Condition 16.1 where an international convention does not compulsorily apply to govern GBRf’s liability for loss or damage to the Goods, GBRf’s total liability for loss or damage to the Goods shall be limited to £1,300 per tonne of Goods or the cost of the Goods (being the manufacturing, production or purchasing cost excluding VAT), whichever is less, capped at £1,000,000 (one million pounds) per incident or series of related incidents. Any declaration of increased value of the Goods by the Customer shall be ineffective.

Subject to Conditions 16.1, 16.2, 16.3 and 16.5 the total aggregate liability of GBRf in any calendar year arising out of, or in connection with the performance or contemplated performance of the Contract whether for negligence or breach of contract or any case whatsoever shall in no event exceed the lower of the value of the Charges paid or payable to GBRf for the Services and £250,000 (two hundred and fifty thousand pounds).

The Charges have been calculated on the basis that GBRf will exclude or limit its liability as set out in these Conditions and the Customer by placing an order agrees that such exclusions and limitations are reasonable and warranted that the Customer shall insure against or bear itself any loss for which GBRf has excluded or limited its liability in these Conditions and GBRf shall have no further liability to the Customer.

16.8 Where an international convention applies compulsorily to govern GBRf’s liability for loss, damage or delay to Goods and the convention prevents derogation from its terms, then if this Condition 16 conflicts with the convention, the terms in such convention will govern GBRf’s liability to the Customer.

17 TERMINATION

17.1 GBRf may immediately terminate the Contract without payment of compensation or other damages caused to the Customer solely by termination by giving notice in writing to the Customer if any one of the following events happens:

a) the Customer commits a material breach of any of its obligations under the Contract which is incapable of remedy;

b) the Customer commits a material breach of its obligations under the Contract which is incapable of remedy and fails to remedy it or persists in such breach after 30 days of having been required in writing to remedy or desist;

c) the Customer:

i. suspends, or threatens to suspend, payment of its debts (whether principal or interest) or is deemed to be unable to pay its debts within the meaning of Section 123 of the Insolvency Act 1986;

ii. calls a meeting, gives a notice, passes a resolution or files a petition, or an order is made, in connection with the winding up of that party (save for the sole purpose of a solvent voluntary reconstruction or amalgamation);

iii. has an application to appoint an administrator made or a notice of intention to appoint an administrator filed or an administrator is appointed in respect of it or all or any part of its assets;

iv. has a receiver or administrative receiver appointed over all or any part of its assets or a person becomes entitled to appoint a receiver or administrative receiver over such assets;

v. takes any steps in connection with proposing a company voluntary arrangement or a company voluntary arrangement is passed in relation to it, or it commences negotiations with all or any of its creditors with a view to rescheduling any of its debts;

vi. has any steps taken by a secured lender to obtain possession of the property on which it has security or otherwise to enforce its security;

vii. has any distress, execution or sequestration or other such process levied or enforced on any of its assets; or

viii. has any proceeding taken, with respect to it in any jurisdiction which is likely or is threatening to cease, to carry on all or a substantial part of its business.

17.2 Subject to the terms in such convention will govern GBRf’s liability to the Customer.

17.3 The termination of the Contract will be without prejudice to the rights and remedies of either party which may have accrued up to the date of termination.
19 CONFIDENTIALITY

19.1 The Customer shall keep and procure to be kept secret and confidential all Confidential Information disclosed or obtained as a result of the relationship of the parties under the Contract and shall not use nor disclose the same save for the purposes of the proper performance of the Contract or with the prior written consent of GBRf.

19.2 The obligations of confidentiality in this Condition 19 do not extend to any Confidential Information which the Customer can show:
   a) is or becomes generally available to the public other than as a result of a breach of the obligations of confidentiality under the Contract; or
   b) was in its written records prior to entering into the Contract and not subject to any confidentiality obligations; or
   c) was or is disclosed to it by a third party entitled to do so; or
   d) the parties agree in writing is not Confidential Information or may be disclosed; or
   e) is required to be disclosed under any Applicable Law, or by order of a court or governmental body or authority of competent jurisdiction.

19.3 The Customer shall not make any announcement or otherwise publicise the existence of or disclose to any person the provisions of the Contract without the prior written consent of GBRf.

20 GENERAL

20.1 The Contract is personal to the Customer. The Customer may not assign, transfer, charge or otherwise dispose of all or any of its rights and responsibilities under the Contract without the prior written consent of GBRf.

20.2 The benefit of the Contract is freely assignable by GBRf and, in the event of any such assignment, all references in the Contract to GBRf are deemed to include its assigns. GBRf may at any time transfer, mortgage, charge or deal with in any manner any or all of its rights and obligations under the Contract to any third party.

20.3 GBRf may sub-contract any or all of its rights and obligations under the Contract as it in its absolute discretion sees fit.

20.4 No person who is not a party to the Contract (including any employee, officer, agent, representative or subcontractor of either party) shall have the right or power or authority to incur any obligation of any nature, express or implied, on behalf of the other party nor an agent, partner, employee or representative of the other party and neither party may permit itself to be so, or have become an employee of the other party.

2.17 Entire Agreement

a) The Contract contains the entire agreement between the parties in relation to its subject matter and supersedes any prior arrangement, understanding written or oral agreements between the parties in relation to such subject matter.

b) The parties acknowledge that the Contract has not been entered into wholly or partly in reliance on, nor has either party been given, any warranty, statement, promise or representation by the other or on its behalf other than as expressly set out in the Contract.

c) Each party agrees that the only rights and remedies available to it arising out of or in connection with any warranties, statements, promises or representations will be for breach of contract and irrevocably and unconditionally waives any right it may have to any claim, rights or remedies including any right to rescind the Contract which it might otherwise have had in relation to them.

d) All warranties and conditions, terms and conditions not set out in the Contract whether implied by statute or otherwise are excluded to the extent permitted by law.

e) Nothing in this Condition 20 will exclude any liability in respect of misrepresentations made fraudulently.

20.9 Waiver

The rights and remedies of either party in respect of the Contract shall not be diminished, waived or extinguished by the granting of any indulgence, forbearance or extension of time granted by that party to the other nor by any failure of, or delay in ascertaining or exercising any such rights or remedies. Any waiver of any breach of the Contract shall be in writing. The waiver by either party of any breach of the Contract shall not prevent the subsequent enforcement of that provision and shall not be deemed to be a waiver of any subsequent breach of that or any other provision.

20.10 Variation

No purported alteration or variation of the Contract shall be effective unless it is in writing, refers specifically to the Contract and is signed by a duly authorised representative of each of the parties to the Contract.

21 CLAIMS PROCEDURE

21.1 GBRf shall have no liability for any loss of, damage to or delay in the delivery of any Goods and/or Containers unless it is advised of the same in writing within 14 days of the completion or termination of carriage by GBRf of the relevant Consignment or of the expected date of completion or termination of carriage provided that if in any particular case:

a) the Customer proves that it was not reasonably possible for the Customer to advise GBRf in writing within the above time period; and
b) the Customer did notify GBRf of the same within a reasonable time, then GBRf shall not have the benefit of this Condition 21.1.

21.2 Notwithstanding Condition 21.1, GBRf shall have no liability to the Customer for any claim (including loss of, damage to or delay in the delivery of any Goods and/or Containers) where proceedings have not been commenced (and notified to GBRf) within 12 months of the date of the event allegedly giving rise to the relevant Claim.

22 LAW AND JURISDICTION

22.1 The Contract, these Conditions and any issues, disputes or claims arising out of or in connection with it (whether contractual or non-contractual in nature such as claims in tort, from breach of statute or regulation or otherwise) shall be governed by, and construed in accordance with, English law.

22.2 All disputes or claims arising out of or relating to the Contract shall be subject to the exclusive jurisdiction of the English Courts to which the parties irrevocably submit.
